### Course Highlights:

The course is spread over four semesters. It is a unique blend of classroom teaching, practical training and experiential exercises, field visits, extensive industry interface in the form of guest lectures, conferences and course modules taught by industry experts. The first year, spanning 2 semesters aims at cultivating multi disciplinary skills of health systems, hospital management, communication skills and core management disciplines. During the first semester students undertake hospital observation visits.

During the second semester they are sent to hospitals all over India to do voluntary live projects. After completion of the second semester students undergo extensive practical training for 8 weeks of summer project work. The course in third semester aims at developing in-depth knowledge about different healthcare branches followed by 16 weeks of internship leading to a dissertation in semester four.

Campus recruitments happens at the end of third semester.

### Dual Specializations Available for Students:

Each student can choose two specializations from the following

- \* Hospital Operations and Quality
- \* Healthcare Information Technology
- \* Health Systems and Public Health
- \* Pharmaceutical Management

### Programme at a Glance:

#### Programme Venue:

The Dr. Kakarla Subba Rao Centre of Healthcare Management is housed in the College Park Campus of the College located in Banjara Hills, in the heart of Hyderabad city. Accordingly, the PGDM (Hospital Management) programme is delivered at the same location.

### Residential Facilities:

In campus hostel facility will be provided with Double occupancy, Non A/c accommodation and an exclusive section for girl students; The rooms are well equipped with good living facilities.

### In- Campus Boarding Facilities:

The campus has full-fledged dining facilities. Breakfast, Lunch and Dinner are served for residents at specified Hours. Vegetarian and Non-Vegetarian dishes are served.

### Wi-Fi Enabled Campus:

The campus is well-equipped with all network support technologies with dedicated High-Speed Internet connectivity.

### Library:

ASCI have one of the finest libraries with a rich collection of books, journals and Audio- Visual resources.

### Faculty Resources:

ASCI currently has more than twenty faculty members on its rolls. These resources have highest degrees and healthcare and hospital industry experience in a wide range of disciplines and domains.

### Outbound Learning's:

The sessions in the class room are complemented and supplemented by exposure visits that ASCI organises for the students. Visits to hospitals and health-care organisations enable the students to understand and appreciate better, the concepts that they have been exposed to and gain a hands on feel of the organisational challenges and situations typical of real-life scenarios.

### Extra Curricular Activities:

ASCI organises/facilitates various curricular and extra- curricular events such as conferences, workshops, competitions, management festivals, cultural programmes, get-togethers and sporting events.

### Sports & Games:

A gamut of sports and games activates are available for the students like swimming, billiards, chess, tennis, table tennis, badminton, carrom, croquet etc. Students are also encouraged to use the on- campus gym facilities.

### Alumni:

ASCI organises Alumni Meet every year, which witnesses participation in large numbers. The Meet offers an ideal platform for all the graduates of the Programme to converge and connect with one another.
